

Selection Process Guidelines

Westbourne Grove Church ArtSpace

All information submitted is viewed by a selection panel, which meets at regular intervals throughout the year. Whilst we cannot let you know exactly when the next meeting will take place we will reply to all submissions.

The selection panel is likely to favour:

- Works that are compatible with Christian values
- Works that express some component of Christian faith & spirituality

Please submit the following information for selection:

- A minimum of 6 images of recent works
These can either be in digital or printed format and should include titles, materials, dimensions & the date each piece was created.
For the return of images please enclose a stamped addressed envelope.
- If the submitted images do not reflect future works you would like to display please submit a detailed description of your exhibition ideas.
- CV, artist statement or any information you feel supports your work.
Clarity matters to the selection panel, therefore any explanatory material you can provide will help your selection.
- Contact details including email address if you have one.

Please note that we do not accept individual websites instead of the above submission material.

Please send information to Westbourne Grove Church ArtSpace, Westbourne Grove Church, Westbourne Grove, London W11 2RW
